NIKUMBH

A COMPACT TWIN DUPLEX 2040 SQFT
Robertsganj, Uttar pradesh

REFLECTIVE PAINT PANELLING

Sky Light above

Chandelier Lighting up the Double Height Space

Pop Wall Panelling

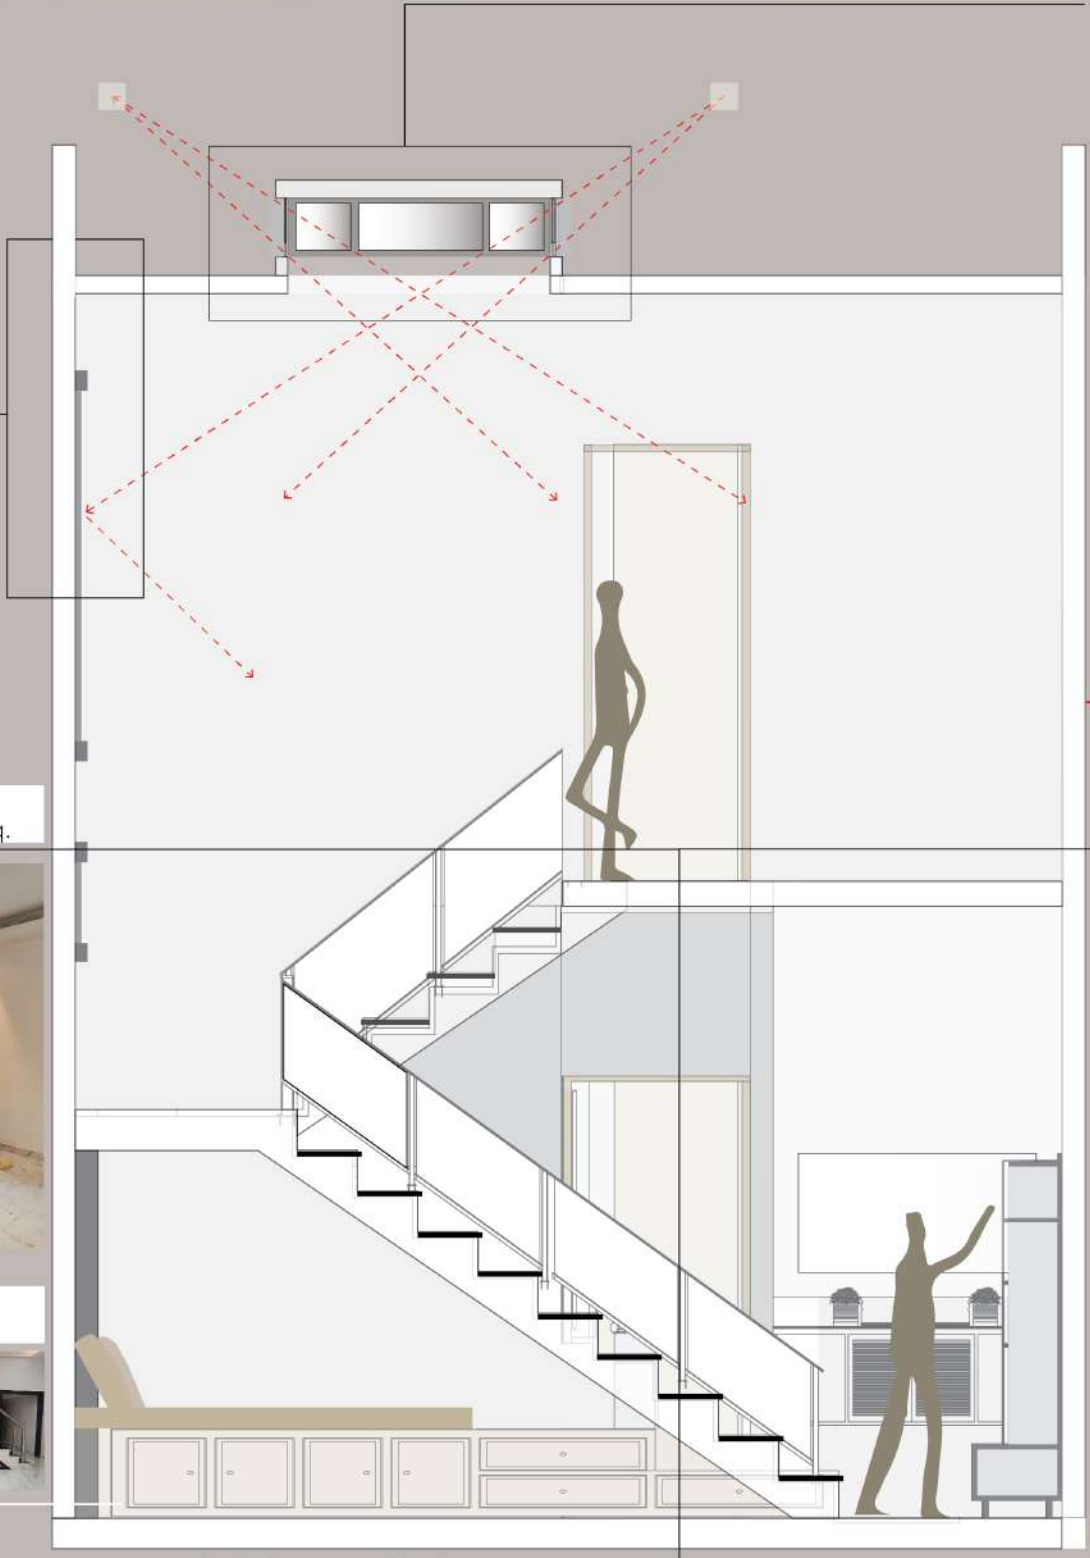

Reflective Pains on wall to disperse the natural Light.

SKY LIGHT

For natural ventilation and Light due to absence of openings.

NATURAL LIGHT

LIVING ROOM BASIN-Client Req.

UNDER STAIR USE

DOUBLE HEIGHT LIVING AREA

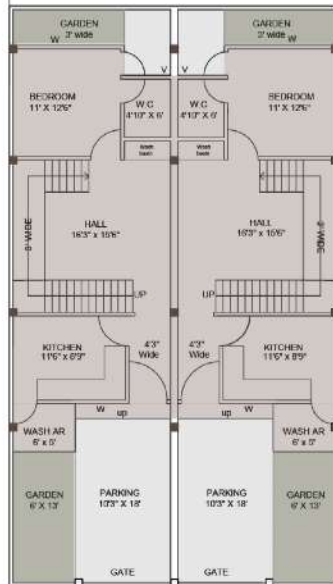

The double Height makes the space feel more open/ Airy as it is Closed from all sides and allows opportunity for natural light to travel to G.F from the Sky Light.
