

Vastu Assessment Report

Overall Assessment: Highly Vastu-Compliant (Approx. 9.5/10). The layout follows major Vastu principles including a north-facing entrance, southeast kitchen, southwest master bedroom, west staircase, and balanced zoning. No major Vastu defects identified.

Parameter	Ideal	Plan	Status
Main Entrance	North	North	Excellent
Living Room	North/East	North	Excellent
Dining	East/North	East	Excellent
Kitchen	South-East	South-East	Ideal
Master Bedroom	South-West	South-West	Ideal
Bedroom	North-West	North-West	Excellent
Additional Bedroom	South-East	South-East	Good
Toilets	West/NW	West	Good
Staircase	West/SW	West	Excellent
Open Space	North	North	Excellent

Summary

The proposed residence is highly Vastu-compliant. The functional zoning, room placements, and directional planning align well with commonly accepted Traditional Vastu principles. This design provides a balanced layout with no major Vastu doshas requiring structural changes.
